OUR TEAM

Mr. Manubhai Gajnani (Founder)

With over 40 years of experience I have the breadth and depth of experience so I can understand the needs and worries of parents. Royal Education World is a proud holder of its reputation where positive feedback has encouraged us to deliver at an even better level.

Mr. Sunil Gajnani (Chairman)

I can manage the dignity of business without excluding the noble cause of educating and guiding the students. If any of the students needs any type of help than our team instantly responds and make sure about the thing.

Dr. Pawan Gajnani (Director, India)

Being a doctor I can understand and guide the students and parents to choose the best university and country depending upon their Budget, Personal Choice, Future settlement plans or Family plans. I think student should select the university by surveying all the above points and not according to where friends are going.

Dr. Sunny Gajnani (Director, Abroad)

Most important factor in abroad education is care of the students when he reaches the university. We have special department in which Dr. Sunny takes cares of the students as they reaches there, things specially to be cared are airport pick up, local transportation, proper process of university formalities, hostel allotments, food facilities according to students requirements.

ROYAL EDUCATION WORLD has always been working hard for the benefit of their students MBBS career, with this it has already touched a mark of creating more than 1500 students as doctors successfully.

The 15 Glorious years of ROYAL EDUCATION WORLD has always seen appreciation from all the parents and students at every stage and we are proud of our students and parents who have showed their trust and believe on us for making their success in the career of MBBS. We will always work for the benefits of our students.

NMC (MCI) TOPPER

Proud to be the student of Royal Education World

We use to guide each & every student about the details of NMC Screening Test Examination & USMLE. We provide the soft copies of all the material at the time of admission itself & Guide them how to use that for the better result. We also help them to select the coaching classes at the right time. Student already learns about the medical subject during the course & according to NMC curriculum all same subjects they use to ask so just a proper guidance and the proper material is enough for the students to clear the examination. Good University and Good guidance by the consultancy is the key factor to clear the NMC examination and make your future bright. Almost all our students had cleared MCI Screening test and more than 50 students had cleared USMLE.

Hard work pays off!! I have started believing this since I have successfully completed my MBBS from Ukraine and then topped in the MCI Screening test & also I got free Seat in MD Radiologist This was never possible without the support of Royal Education World and their team. I thank all of them from the bottom of my heart.

I am always available for any guidance needed for students of royal education as i will tell u all the facts about the NMC Examinations and share my handwork story

SUCCESS STORIES

Soniya Ramrakhiyani (MCI Passed Out)

I was the first girl student of Royal Education. During and after process they supported me so well and motivated me for my studies. They guided me in every sector and I think because of that I completed my course and also passed MCI in first Attempt. Today I am working as a captain in Indian Army Hospital.

Dr. Maulik Bhoi (MD Gynecologist, Gold Medalist)

I have completed my PG in India. Some genius had said that "Knowledge Never Fails". I have applied for PG entrance exam and got selected in first attempt without wasting time and topped in the university and got Gold Medal. Foreign education has proved to be blessed for me. Thank you Royal Education for everything.

Yash Bhavsar (USMLE Passed Out)

Selecting Ukraine for studying medicine was the best decision I had taken. The University stands as per expectations and with little hard work one can even clear the USMLE for practicing medicine in US, like I could do. I thank Royal Education World for all efforts and guidelines.

Kinjal Desai & Dhaval Desai (MBBS Perusing)

Royal Education helped me get through the entire process so smoothly that now both my children are studying in the same university and both are very much satisfied with the theory and practical curriculum of the university. So I would definitely recommend Royal Education World if you want to study medicine. They will guide you the best university according to student's caliber.

Pratham Thakor (MBBS Perusing)

Royal Team is the best consultancy I came across. It gave us every bit of details about the university, college and the procedures. This helped me decide to proceed with them.

Amisha Gupta (MBBS Perusing)

We were always concerned about selecting the college in India or Foreign. But with deep survey and research we decided to explore the opportunities given in foreign education. And we are happy that we came in touch with Royal Education World for helping us achieve our dreams.

Shlok Vaidh (MBBS Perusing)

I belong to Palanpur, Though having ample of opportunities right at my doorsteps, I decided to opt for medicine in Kazakhstan. I was looking for genuine consultancy and ended my search when I came in contact with Royal Education World.

Arshin Sheikh (MBBS Perusing)

Trust began right from the first call. I visited their office personally with my Father, they explained me everything and even the fees structure was printed. Every question of mine was explained so well, that I decided to proceed with them for my admission.
